Every merchant in this town wants to sell you goods. You want to trade with the merchant who will do the best by you, who will sell you the best goods at the least price. It is up to you to read the ads in this paper, and it is up to the merchant to see that you read his ad. When you both do this you both win.

The man who does not take his home paper misses the fun of what is going on in his home community. He must either borrow the paper from his neighbor and be considered a tightwad and a nuisance, or he must be content to learn a little and know less.

"This paper costs but \$1.50 a year, and is worth ten times that amount to any person."

Every citizen of this town is interested directly in its welfare for his own well-being depends upon the prosperity of the town. For that reason, if for no other, we should do as much as possible of our buying at home this winter and Christmas, and let the mail order houses bleed some other place.

"This paper costs but \$1.50 a year, and is worth ten times that amount to any person. We will make its acquaintance of other ourselves."

The following card has been received by the telephone subscribers at Manning:

October 2, 1916.

To all subscribers of the Telephone Company: Referring to postal card number of increase in telephone rate, which was sent you some days ago, this is to advise that this increase will not go into effect on October 1st.

Robt. Shelor, Sec. and Treas.

Do you want to make a "clear saving" of \$25 to \$50 on your expenses between now and the first day of next January. You can do it and this is the way you can do it. You will be making your purchases for yourself and your family for fall and winter purposes and for the Christmas time. There is always some merchant in town who will do a little better by you than anybody else.

When a merchant is able to do this he is keen to advertise and let the people know just what he can and will do. Your own case is to read carefully each week the advertisements in this paper. They tell the story and the name of the merchant who makes the story. Read the ads.

Miss Lucy Mood, daughter of the late W. R. Mood of Sumter, died at the Toumey hospital last night, after a short illness. The body was taken to Sumter this afternoon where the funeral services and interment were conducted. Miss Mood was taken ill at Bishopville on last Tuesday and was brought to the local hospital where she remained for several days.

She was a charming young lady and died in the early flush of womanhood, being just 22 years of age. Her death came as a great shock and sorrow to her many friends in Sumter. Bishopville and elsewhere. She is survived by her mother, Mrs. H. H. Scarborough, Mrs. J. H. Scarborough, two brothers, Messrs. Julius, who is on the border, Rogers, who is a cadet at the Citadel, and one sister, Miss Maria Mood, who is in the nursing school at Charleston hospital. She was a niece of Miss Emma Mood of Sumter and of Mr. W. Rogers Scarborough of Bishopville.—Sumter Item.

Died last Wednesday evening at his home about twelve miles east of Manning, Mr. Benjamin P. Fulton aged 64 years. The deceased was one of Clarendon's most highly esteemed citizens, and his demise has caused great sorrow to his friends. It was the writer's good fortune to have known him long and well, and we only knew him to esteem him more highly as the years passed by. But he is gone, and another name is stricken from the roll of our old settlers. Mr. Fulton was known far and wide for his hospitality to his guests at his dinner at Martin's Lake, where he never let his genial face on these occasions again. It is the gloom of the church yard that recalls to us the memory of the life of this man. It is the broken ties at the grave that prompts us to a fuller appreciation of the tenderness of the ties that are not yet broken, and so while we mourn the loss of our dear one, let us rejoice that there is no cloud so dark that there is no light behind it, no sorrow so poignant that there is not a balm for the wound it inflicts. The deceased is survived by a wife and several sons and daughters. It was his wish that his funeral be held at his home on Thursday afternoon, and attended by a large concourse of friends and relatives.

To the Democratic voters of Clarendon county. I want to express to you my sincere thanks for the recent privilege you have given me by electing me your representative.

It was so overjoyed by receiving such a large vote until I did not think of thanking the voters until now. I hope to prove to you that I am worthy of your votes.

Sincerely yours, Isaac N. Tobias.

DuRant's Home Demonstration Club Fair.

On Saturday September 23rd, a crowd gathered at the DuRant School House to enjoy the County Fair.

Given by the DuRant Home Demonstration Club.

The Fair was indeed one that the Club could be justly proud of, for the exhibits were of unusually high order and many declared it one of the best events of its kind they had ever attended.

There were five or more departments as follows. The children's, the agricultural, the canning and preserving, the fancy work and a collection of old and historic relics.

The Club was benefited by good talks from Miss parrott, State Agent, Miss Lemmon, Miss Pitts and Mr. Williams of Sumter and Mr. Clark of Columbia was the invited speaker for the occasion. As delighted his hearers with one of his interesting and instructive addresses.

Mr. E. W. Dabbs, former president of the Farmer's Union, also made a good talk.

The Club thanks Miss Katherine Richardson, our most competent and successful agent for her aid in carrying out the fair. On the whole it was a splendid success and we hope it will be repeated again next year.

Mrs. S. O. Plowden.

County Fair.

Mr. Editor, will you kindly give me space in your paper to address a few words to the people of Clarendon county concerning our second annual Fair.

A little more than one year ago a small band of public spirited men and women of our county, together with several of the Clarendon County Fair Association." As an outgrowth of that organization we held our first County Fair for two days during November 1915.

The Fair as a whole and each of its departments was a pronounced success according to the testimony of those who visited the grounds and the experts and judges who were present.

One of the Judges who had been visiting the County Fairs of South Carolina and adjacent States for a considerable number of years said that "Clarendon County's Fair was not only a marked success, but that it was better than the Fairs in many Counties where they had been holding for a goodly number of years."

Now if we were able to make our initial Fair a success without previous experience or equipment, without any established system or precedent to be guided by, it is reasonable to suppose that you will agree with me in saying that there is more reason now to expect a successful Fair for this season. And since those of us who claim to be "from Missouri" have seen what this county can do to do well, it is reasonable to suppose that you will agree with me further that we have every reason now to expect more confidence and co-operation in planning for and holding our second one.

At a recent meeting of the Association it was decided to hold a Fair this year for three days. The dates decided upon being from November 15th to November 17th inclusive.

I want to call your attention to the fact that the dates are not far off and that the time is now ripe for making preparations for selecting your exhibits.

If your exhibits are not already prepared get busy and make something. The premium list will soon be printed and forwarded to you. Just as soon as you receive it read it through and see how many of the articles mentioned in its various departments you will be prepared to compete for.

Do not wait and then later, but commence now to boost the second annual Fair. See how many people in your community you can interest in it. You will not have to convince them that a County Fair is a good thing for the upbuilding of our section, but you will have to convince them that it is a good thing for the people of the county. For one dollar you can purchase a share of stock and enjoy the full benefit of its membership. I would love to see every white man and woman in the county the owner of one or more shares of stock. This plan is not to have the stock of the Association owned by a few liberal patriots but instead let one or two shares be distributed in every home throughout the width and breadth of the county.

As a final word, permit me to invite your hearty co-operation and let us not delay but start at once to unite and contribute our best efforts in behalf of this practical and progressive cause in which each one of us claim a vital interest.

John G. Dinkins, Secretary.

Lessee-McIntosh.

Pretty in its simplicity was the marriage of Miss Frankie Lessee of Silver to Dr. William Frank McIntosh of there is no cloud so dark that there is no light behind it, no sorrow so poignant that there is not a balm for the wound it inflicts. The deceased is survived by a wife and several sons and daughters. It was his wish that his funeral be held at his home on Thursday afternoon, and attended by a large concourse of friends and relatives.

Just before the ceremony Dr. F. M. Griffin of Lynchburg sang "Melody of Love," accompanied on the piano by Miss John McIntosh, sister of the bridegroom.

At 4 o'clock to the strains of the Lohengrin wedding march, the bridal party entered the rear hall, passing in front of the beautifully constructed altar, along the top of which many candles were burning. First came the maid of honor, Miss Hattie Gibson of Sumter, with Dr. F. M. Griffin. Then the bride entered on the arm of the bridegroom. They were met by a short bridal party. They will be home in Lynchburg after October 1st.

Mrs. Robert Baker of Silver entertained for Miss Lessee on Monday afternoon, September 25, at a miscellaneous shower. While Spain Baker and Ruth Briggs came in, each carrying a large package. These were given the bride-to-be with a message of good wishes from the guests. When all had seen the contents of the packages, which consisted of many beautiful pieces of linen and many other pretentious and useful gifts. Mrs. Baker invited the guests into the dining room where an ice course was served. On returning to the parlor paper and pencil were given the guests and each wrote a wish for the bride-elect. Miss Lessee read these aloud for the amusement of those present.

McLendon Promises Satisfaction.

Yorkville Enquirer.

Baxter F. McLendon, the well-known evangelist, who is now holding forth in Greenville, has given out the following:

Greenville, S. C., Sept. 24, 1916.

Rev. E. W. Watson, Editor, S. C. My Dear Brother: A little fellow by the name of Rogers at Florence, has distributed a telegram that he sent me and my reply all over the State. I never do anything that is covered up. And I had no personal reasons for voting for Cole Blaise. As far as working for any candidate I never opened my mouth. Several of my friends have wondered why I voted for him. If I had told the people why I voted for him before his name was put in the race, I would have been governor of South Carolina to day. I am a busy man, and as several of my friends are insisting, or at least wanting to know why it was that I voted for him, just as soon as this evangelistic campaign is over I am coming out in an open letter and give my reasons. (1 Peter 3:15)

Now Bro. Watson, I never hit anything with a tack hammer, and when I write that name in my letter, I am just as much as saying to you, "I am a busy man, and as several of my friends are insisting, or at least wanting to know why it was that I voted for him, just as soon as this evangelistic campaign is over I am coming out in an open letter and give my reasons. (1 Peter 3:15)

You are privileged to show this letter to any one you wish.

The prospects for a great revival in this town are good. I'll send you a paper. In His Name.

B. F. M. McLendon.

In Loving Remembrance of Little Virginia Rawlinson.

The little crib is empty now, And the mother's heart is sore, For the little girl who once lay there, Is no more.

Those little lips so sweet to kiss, And those sparkling eyes that shone so bright, Beneath that pretty brow.

That little heart that beat so high, Free from all care and gloom, Are hidden now from those she loved, Beneath the silent tomb.

Mothers Love Aids Son in Trenches

It Brings Relief to Boy Standing His Watch Deep in Mud.

Once upon a time, only a few months after this terrible world war had begun, Private Bailey, a soldier in the ranks had stood for days in the trenches "somewhere in France." The cold rains soaked him to the skin, the mud was deep. He had no rest, weary and aching with rheumatic pains, he recalled the faith his mother had in Sloan's Liniment. He asked for it in his next letter home. A large bottle was immediately sent him and a few applications killed the pain, once more he was able to stand the severe exposure. He shared this wonderful muscle soother with his comrades, and they all agreed it was the greatest "body forcement" that had ever come to their rescue. At your druggist, 25c. 50c. and \$1 a bottle.</
